MESSAGE #2252 from the Blessed Mother December 13, 2001

My daughter, All must examine their conscience. All must truly take a look at themselves. Through doing this, one will come to know those areas they must work on. No child is perfect; all have areas in their life where change needs to occur. Until you truly examine your conscience, change cannot occur in you.

Turn to God dear children, and ask, ask for His guidance. Ask God to show you those areas that are truly displeasing to Him. God is a loving God, so please do not be afraid to turn to Him. Through God's love and mercy, He will give you the knowledge to see yourself as you are. God desires each of you to progress spiritually, but in order to do this; you must take time in the presence of God to examine your conscience.

Now I ask that you be humble children and truly strive hard to live a saintly life. I ask that you love God more than your worldly desires. I ask that you avoid sin and truly work on those areas where you are weak. It is time now to examine your heart carefully so that God can truly dwell in you.

Now please ask Jesus for His Divine assistance and Grace so that love and goodness pours forth from your hearts. Surrender yourself to His Will and desire now to truly, truly please Him. Pray and examine your conscience and I promise you, you will become stronger, and grow spiritually.

Now reflect on this message, and respond dear children, wholeheartedly. Respond and never lose hope. Keep your focus on God. Amen.

MESSAGE #2420 from the Blessed Mother December 17, 2002

My daughter, A repentive heart is what is needed in order for my children to be led closer to Christ. Without a repentive heart, one will not be healed in those areas where they are weak.

So, today I ask that all my children take quiet time and examine their conscience. I ask that all my children turn to God and seek His guidance on this earth. It is so important to look to Jesus and focus on His love. It is only Jesus who can heal your suffering hearts. It is only Jesus who can heal you with His love. Each child needs to slow down and take time to pray and come to know Jesus. Each child needs to admit their weaknesses and become totally dependent on God.

God will truly help those who are honest and who truly seek His help. God will give you the strength needed to move forward if you trust and believe in His love for you. God is merciful, kind and compassionate. God is truly there for those who turn to Him, so please have confidence and hope in Jesus. Have confidence in His love that He has for each of you. Look to Him now to fill all your needs and to heal your suffering hearts.

Now, please open the door to your heart and be not afraid to give Jesus your entire self. Go now in peace and embrace God's love, mercy and compassion. Amen.

MESSAGE #2427 from the Blessed Mother January 6, 2003

My daughter, I am here to help my children return to God. I am here for all my children, not just a few. I am here to assist each child who will take my hand so that I can lead them closer, closer to my Son, Jesus. Those who truly open their hearts to my motherly assistance will understand my role on this earth.

The problem today is that many hearts are closed to the truth. Many are picking and choosing which commandments to obey. Many have so many excuses for the way they are living their lives. Many today are making up their own rules to fit their lifestyle. All I can say to my children is that each of you will have to answer to God. Each of you have a free will, but you also have a conscience. You know in your hearts what is right and what is wrong.

Please dear children, take time, time to examine your conscience. Take time and then ask yourself, "Is your life truly pleasing to God?" If it is not, then please ask God to help you turn your life around. Ask God to help you relearn your ways. Ask God to reveal those sins that are pulling you away from Him. Ask, ask now so that God can guide you on this earth. Pride and greed is not what will help you, only God. Change cannot occur in you if you refuse to spend time, quality time with God.

Each of you must live a life that is united with God. Please turn to God, for there is no longer time to be living a lukewarm life. Give yourself fully to Him and let go, let go of all your desires. Let go and open your hearts to God's unconditional love.

Dear children, my voice calls out to each of you, so please listen and then respond. Respond with love in your hearts. Respond and love Almighty God. Now, please open your hearts and respond so that you will be able to receive God's abundant love. Amen.

MESSAGE #2489 from the Blessed Mother June 9, 2003

My daughter, Satan loves war and he is truly attempting to cause division amongst my children.

So, today I ask that you be kind and loving towards each other. I ask that you forgive those people who seek control and revenge. Through forgiveness, you will have peace and you will not be tempted to fight back. Those who are truly in union with God are prayerful, loving and forgiving. Those who are following Jesus' ways are patient, charitable and kind towards one another. Those who seek revenge are only hurting themselves.

Please, dear children, build each other up and allow only goodness to flow from your hearts. Allow only kind words to flow from your tongue. Allow God's love to shine, shine through you. Be merciful and pray for those who have hatred in their hearts. Be loving and do not allow Satan's venom to rule your lives. God is love and He is truly patient, kind and merciful. God is love and He truly wants each of you to have joy, love and peace in your hearts.

So, today examine your conscience and ask yourself, do I have peace in my heart? Do I speak kindly to those around me or do I treat others unfairly? Be honest, humble children and I promise you, love and peace will reign in your hearts. Joy will come if you are loving and live peaceful lives. Joy will come if you see Christ in each person. Many today are not living this message. Many do not examine their conscience. Many speak the truth but very few are truly living the Gospel.

Today, I am asking you to turn to God if there is not love and peace in your hearts. I am asking that you each be honest with yourselves. If you are not spending time with Jesus, then make time now. If you are distracted by those around you, then take quiet time and kneel before our Lord. If you are fearful and worried what others are saying about you, then turn to God and ask for His guidance.

Ask God to help you turn your life around instead of trying to change others. Ask and you will receive the answers from God. Ask God to truly help you and you will see the flaws in your life. Ask, ask, dear children, so that change can occur in your life. Ask and the door will be opened, the door to your heart.

My daughter, please make this message known, for each child has a heart that needs to shine, shine for others. Life is truly short on this earth, so please imitate Christ and be loving, humble children. Amen.

MESSAGE #2564 from the Blessed Mother December 12, 2003

My daughter, It is necessary for my children to be on guard, for the evil one is sly. So please tell my children to pray more and stay close, close to Jesus' Most Sacred Heart. Tell my children to armor themselves each new day with the protection God has provided for them.

The Holy Angels and Saints are truly there for those who ask for their assistance, so remember to call upon St. Michael and all the Archangels. Remember to ask for their protection and assistance. Remember to invite all the Holy Angels and Saints into your homes. The enemy will flee if you pray and do what I am asking of you.

Protection is truly needed in this world because so much evil roams this earth. Satan is strong and he truly has many followers who are listening to him. Satan is strong and he is truly attacking those who are being disobedient to God. If my children continue to pick and choose which commandments to obey, much more evil will enter this world. This is why it is so important to obey all of God's commandments.

Today, I ask that my children examine their conscience and then ask themselves, am I obeying each commandment? One must be honest and then work on those areas where they are weak. One must ask God for assistance, as it is impossible to get strong on your own. Each child needs God's assistance and loving guidance. Each child needs to examine their conscience in order to make a thorough confession. Without a repentive heart, change cannot occur.

Now, please be obedient children and trust in God. Repent and amend your ways and do daily penance for your sins. Ask God to forgive you for any sins you have committed and then do your part so you live a holy life. Do your part so you are not tempted to take the easier road. Commitment is truly needed, so please be submissive to God's Holy Will.

This is the time to reform your ways and to live your faith. So be wise and take heed to this message so evil does not destroy your soul. Be wise, obey God and use the protection that has been provided for each of you. Amen.

MESSAGE #2594 from the Blessed Mother February 24, 2004

My daughter, A good confession takes time. One must examine their conscience and be truly sorry for their sins. One must be honest and then work on those areas where they are weak. One must take time to prepare their heart and soul.

I say to my children, do not receive the Sacraments out of habit. Take quiet time before Mass so you are not distracted. Be prayerful children and begin your day with prayer so you truly hear God. Your focus cannot be on God if you rush through your prayers. Your focus cannot be on God if you do not spend time with Him. It is time now to turn to my Son and ask for assistance. It is time now so you are truly guided on this earth.

My Son waits for each of you to come to Him with an open heart. His Most Sacred Heart is loving, merciful and forgiving. He truly loves you and longs to hear from each of you. Please ponder my Son's love for you and accept, accept His love and grace. Open your hearts today and allow my Son to embrace you. Allow my Son to heal you so you do not become distant from God.

Now, please do not give in to Satan's worldly ways. Reflect on our Lord's Passion and prepare your heart and soul. Prepare, prepare now, for Lent is a time to truly come to know our Merciful Lord. Amen.

MESSAGE #2611 from the Blessed Mother April 8, 2004

My daughter, Tell my children that in order to come to know God's mercy and love, they must repent and turn away from sin. They must obey God's Commandments and take heed to the Gospel. They must examine their conscience and be truly sorry for their sins. All must do their part if they truly want to blossom for our Lord.

Today, I ask that you each spend time with Jesus. I ask that you let go of your worldly ways and spend time with my Son in the Blessed Sacrament. I ask that you make time to be with Jesus, for He truly awaits your love. He longs to be with you in a special way. He is your refuge and strength, so please turn to God and pray and take time to converse with Him.

God's love is endless, so please do not reject Him. He is merciful, loving and truly knows what is best for your soul. He desires to share His love, His love with each of you. His love is unconditional, so do not be afraid to come to Him. Receive His grace and believe that God is merciful to those who turn to Him with a repentant heart.

Now, please spend time with Jesus, for His mercy brings victory to all who repent and come to Him. Spend time with Jesus, for His heart radiates His love for each of you. Unite your hearts to Jesus' Most Sacred Heart. Unite yourselves to the heart of my Son's mercy, suffering and unending love. Amen.

MESSAGE #2646 from the Blessed Mother June 28, 2004

My daughter, I am here. I am here for all my children, but I cannot help those who are choosing darkness. I cannot help those who are refusing to obey God's Commandments.

There is still time for repentance, but my children must decide now. They must turn to God and amend their ways before it's too late. They must accept God's love and mercy and truly live, live the Gospel. God will truly shower His mercy upon those who repent and who turn to Him.

My dear children, you cannot live in sin and say you know the truth. Sin is what separates you from God. Sin is darkness and it pulls you deeper, deeper into the pit. So many today do not understand the darkness that surrounds them. So many continue to live in sin because they do not want to obey all of God's Commandments.

I say to my children, wake up, wake up now. Obey God and turn your lives around. The day will come and you will each see the state of your soul. You will see how many wounds you have added to Jesus' Most Precious Body. What a terrible time this will be for those who are choosing darkness. Without a repentant heart, many will die of fright. Many will not be able to withstand knowing the truth about the condition of their souls. Many will have but little time to repent and turn their lives around.

Do not wait for the warning, repent and prepare your souls now. Turn away from sin and live a life that is pleasing to God. Examine your conscience each new day and then ask God to assist you so you can turn your life around. God will truly assist those who come to Him. God will forgive those who go to Confession. God will forgive those who are truly sorry for their sins and who do penance.

God is a forgiving God, but you must also do your part. You must repent and obey each Commandment. You must examine your conscience and truly live, live in God's light. You must pray and stay close to Jesus' Most Sacred Heart. You must be honest children and not make excuses for the way you are living. You must believe in God and choose the path that will lead you to Heaven.

Again I say to you, you must not deny the existence of God the Father. You must be true believers and build your relationship now with Jesus. You must pray every day and cleanse your soul regularly. You must convert and abandon your evil ways. Every day you must examine your conscience and turn away from sin. You must convert, convert now and not wait for tomorrow. Each new day is an opportunity to move closer, closer to God. You must use the protection God has given you and pray, pray more. The time will come and each child will see their soul. Will you be ready? Will your soul be in a state of grace?

Now, please take heed to this message and begin now to live a pure and holy life. Remain faithful to what the Holy Spirit is directing you to do. Come to Mass, cleanse your soul and live, live the Gospel. Live each day for Jesus and open your hearts to His love and mercy. Do all that I am asking of you and you will have peace through all trials and storms. Abandon yourself to God and He will truly help you and guide you on this earth.

The decision is yours, so please be responsible and choose light instead of darkness. Be faithful followers of Jesus and live, live each day for Jesus Christ. Amen.

MESSAGE #2669 from the Blessed Mother August 27, 2004

My daughter, In order for one to hear God, they must be silent. They must be silent and listen, listen with their heart. Silence is truly needed today because many say they cannot hear God.

God speaks to all His children, but it is up to each person to take quiet time with Our Lord. There are many opportunities to be silent, but one must close their ears to the noise of this world. One must close their eyes and focus, focus on Our Lord. One must meditate on the mysteries of the Rosary if they truly want to feel Our Lord's presence. One must ponder on God's love that He has for each child.

In order to truly be silent, one must open their heart and let go of all distractions, thoughts and desires. One must desire to be alone with God and let go of all that is not pleasing to Him. One must let go of pride, envy and unforgiveness, which truly blocks one's heart. One must examine their conscience and make a good Confession.

Through the Sacrament of Reconciliation, one will be led closer to God; one will receive the grace needed to live a pure and holy life. A cleansed soul truly helps one become a stronger Christian. By receiving the Sacraments, one will come to know the beauty of silence.

Dear children, through prayer you will come to know the truth. Through prayer and quiet time, you will hear God speak. Through silence you can hear God everywhere, for God is truly with those who pray, keep silent and who obey and serve, serve Our Lord. Amen

MESSAGE #2673 from the Blessed Mother September 13, 2004

My daughter, I ask that you continue to write each time I come to you. I ask that you share my messages of love all around this world.

War is not love. World leaders must join hands or they will see much more devastation in days to come. People must change. They must come to know Almighty God. They must put down their weapons and armor themselves with love. They must atone for their sins and the sins of this world. They must share their joy of knowing Jesus and spread God's Word.

Catholics must return to the Sacraments and believe, believe that Jesus is truly present in the Eucharist. One must not receive Communion with mortal sin on their soul. One must abide by true teaching and not make up their own rules. Priests must teach their flock, for many are receiving Jesus unworthily. Many are receiving the Eucharist when they are living in mortal sin. Many need to know the importance of cleansing their soul.

Priests are responsible for making the truth known. They must let go of fear and live, live their vocation. They must not give in to the world, for many are sleeping. Many today are living in darkness because they are not examining their conscience. Sin has become widespread and all must do their part by truly living the Gospel. Priests must counsel those who are not obeying God's Commandments. Priests must make more time to be in the confessional. Priests must imitate Christ. They must never stop shepherding their flock.

Woe to those Priests who are not reaching out to those who are choosing darkness. Woe to those Priests who are not listening to their Most Holy Pope. Woe to those Priests who are not shepherding their flock. All must come to know the truth. All must believe that Jesus is truly present in the Eucharist. If my Priests do their part and ask for God's guidance, many more children would repent and turn to God. More of my children would receive the Sacraments in the proper way.

Dear Priests, you must examine your conscience. You must be willing to be persecuted for living the Gospel. You must not join hands with those who are adding wounds to Jesus' Most Precious Body. You must do what's morally right. You must teach others who are choosing to do wrong. You must be prayerful and truly live your vocation.

Please, dear Priests, listen to God. Listen, so you do not give in to the evil one. Be loyal to your Pope and support him. Listen to his words, for he truly has much wisdom. Be united with him and pray, pray every day for your Most Holy Pope. Do what I am asking of you and live, live a consecrated life. Offer up your sacrifices and penance for the conversion of souls. I will guide you if you listen and obey Almighty God. This world can truly change if all my children pray and obey God. Your actions and example will truly make a difference in this world.

Please, dear Priests, start today. Say 'yes' to God and assist me so more of my children live their faith and trust, trust in Almighty God. Amen.

MESSAGE #2779 from the Blessed Mother May 20, 2005

My daughter, Pray with me today because so many souls are being darkened by sin. Pray with me today so more examine their conscience and repent of their evil ways. Conversion cannot happen until my children get down on their knees and pray.

I say to all my children, time is running out because sin has become widespread. Time is running out, so please, please repent and pray. Repent, do penance for your sins and pray, pray for the world. Offer prayers and sacrifices to Our Dear Lord, Jesus. Through praying the Rosary, and by doing penance, more souls can be saved.

Those who respond to my heavenly pleas will be protected. They will be comforted during those difficult hours. They will be led in the right direction and they will be fed by Heaven. My children will have peace through all trials and storms. The Holy Angels will truly, truly be by their side. Protection is my promise to those who join my army of love.

Now, please be wise and take heed to these messages. Be wise and turn away from sin. A terrible punishment truly awaits those who do not repent and turn back to God, so please listen carefully and respond, respond, respond now. Amen.

MESSAGE #2796 from the Blessed Mother July 13, 2005

My daughter, All must strive to live in unity so that darkness can be removed.

Begin today by truly loving one another. Begin today so that this love of knowing Jesus shines through you. Ask God to change you so that you can let go of any pride or unforgiveness that has settled in your heart. Change must begin within yourself, so please turn to God and ask for His loving assistance. When change occurs within yourself, you will have peace in your heart.

Dear children, if you do not have peace in your hearts, then examine your conscience. Examine your conscience and then go to Confession. In this way, you will have the grace needed to live a holy life. By doing penance for your sins, you will become strong warriors for Christ. By truly working on your weaknesses, you will long to imitate Christ.

Please begin today so you become pure vessels for Our Lord. Begin today, for there is much hatred and violence in the world. Unity must begin with you, so please respond and do your part by truly living these messages. Trust in God's loving assistance so you persevere with love and joy in your hearts. Action is needed and it must begin with you. Amen.

MESSAGE #2802 from the Blessed Mother August 8, 2005

My daughter, Humility and patience are needed, for God knows what is best for your soul. God knows what is best for the world, so trust and persevere each new day. In time, each child will see their soul and they will know how many wounds they have added to Jesus' Most Precious Body. The day will come in God's most perfect timing.

The day will come, so I say to my children, prepare, prepare your soul now. Get down on your knees and examine your conscience. Go to Confession regularly and do penance for your sins. Be truly sorry for the sins you have committed and ask for forgiveness daily.

Join God's army of love and be true apostles in these times. Let go of fear and be willing to be persecuted for sharing these messages which are that of love. The Gospel must be made known, so do not be afraid to share these messages of love and truth. In time, all will know that I am truly here for all my children.

Now, please be willing to suffer for Jesus. Be willing to pick up your cross each new day. Share all that I am teaching you and assist those who have opened their heart. Call upon the Holy Spirit so the Gospel flows from your heart. Many need assistance, so please go forth and take part in saving souls.

Please go forth, for God's Justice will prevail. All that has been written must be fulfilled, so believe, believe and take heed to the Gospel. Amen.

MESSAGE #2830 from the Blessed Mother November 7, 2005

My daughter, God has chosen many to lead the faithful forward so they do not lose hope or confidence in Our Lord.

My daughter, you have been chosen to relay my words, so continue to write each time I come to you. Write each new message so more come to know God's love and mercy. So many today struggle because they are choosing to walk alone. So many today do not want to change their ways and many are living in mortal sin. My daughter, many will suffer if they continue to choose darkness. Please continue to be God's messenger so more turn to Him before it's too late.

The world has but little time to repent and amend their ways. Time is running out and if my children do not repent and stop offending God, they will suffer, suffer tremendously. The warning will come and man will have but little time to repent. All will have to decide to either choose light or darkness. All will need to repent and become faithful followers of Jesus Christ. All will know there is a God who is loving and merciful. The earth is being purified because the day is drawing near. God's light will shine in each soul and all will know just how they offended God. Many, many will suffer for compromising with the world. Bishops will have but little time to shepherd their flock. All will know just how many wounds they have added to Jesus' Most Precious Body.

No one on this earth can fool God, so please amend your ways and imitate Christ. Obey each Commandment and live, live the Beatitudes.

Please, dear children, be true to God and love, love, love one another. Join hands, unite in prayer and be compassionate, loving, humble children.

Now, please look into your heart and ask God to help you wherever you are struggling. Ask my Son to assist you so that you in turn can go forth and bear fruit. Do all that I am asking of you and I promise you, you will grow in holiness and your love for Jesus will deepen. Amen

MESSAGE #2931 from the Blessed Mother October 31, 2006

My daughter, Share all that is imbedded in your heart so more turn to God before it's too late.

The forces of evil have poisoned many because they have neglected prayer. Many are living in sin because they are refusing to examine their conscience. So many today deny that God exists. How this world will suffer if my children continue to live their lives without including God. The path my children are on, will only become darker if they choose to live in mortal sin.

I say to my children, take refuge in Jesus' Most Sacred Heart. Believe that God exists so you turn away from sin. Repent and believe in the Gospel so that you move forward with joy in your hearts. Do not give in to Satan's lies. Do not allow Satan to lead you away from the truth. Return to God and His Sacraments so you have the grace needed to live a holy life.

Accept God's love and believe in His love and mercy for you. Trust, trust in God's love for you and I promise you, your lives will change. Trust in God's guidance, for He truly desires to protect you in this darkened world. Abandon yourselves to Jesus and be confident in His love for you. Love, love Jesus with your whole heart. Love, love Jesus and allow Him to fill your heart with joy. Amen.

MESSAGE #2979 from the Blessed Mother April 4, 2007

My daughter, Pray daily and keep your heart open to all that God is asking of you.

I am asking that all my children respond to God's call. I am asking that you pray, pray more and receive the Sacraments so you have the grace needed to make the right choices on this earth. Please examine your conscience and look to the Holy Family as your example. Pray together and love, love one another so you stay strong for Jesus. Stay close to Jesus in the Blessed Sacrament so you are guided in the right direction. Jesus is your Savior, so please turn to Him each new day. Trust in My Son and allow Him to be your light. Trust and truly believe that My Son's Heart is overflowing with love and mercy.

Please be strong in your Faith, for My Son's mercy will be followed by Justice. All will need to repent and be in a state of grace. Time is short for saving souls, so please respond now. Humble yourselves and repent and live, live the Beatitudes. This is the time for reparation, so please pray and do penance to save souls.

Now, please listen to my heavenly plea; let go of fear, pick up your cross and follow Jesus. Devote yourself to prayer and listen, listen to My Son, Jesus. Amen.

MESSAGE #3061 from the Blessed Mother February 22, 2008

My daughter, The world must change. Change is truly needed all around the world.

My children must truly live their Catholic Faith and the teachings of the Church. It is a grave sin to receive Communion with mortal sin on your soul. Please examine your conscience and repent of all wrong doing. You cannot ignore true teaching. You must abide by the rules. You must obey each Commandment. You cannot enter Heaven with mortal sin on your soul. You separate yourselves from God when you choose to live in mortal sin.

Listen to your Most Holy Pope, for he truly speaks the truth. Do not listen to the ways of the world. Live your Catholic Faith. Turn away from sin and keep your focus on My Son, Jesus. Do not reject God's laws. Be light to this darkened world. Be obedient to true teaching and stand up for the truth. Much evil is hidden in many hearts because they are listening to Satan's lies. In time, they will have to answer to God for living a lukewarm life.

I say to my children, prayer is the answer. Through prayer and true devotion to Our Lord, you will come to know the truth. You will be strengthened and taught how to truly live your Catholic Faith. Please come to Jesus and then respond with an open heart. Come back to Jesus before it's too late. Go to Confession and spend time with Jesus in the Blessed Sacrament. Repent and pray. Amen.
